**Subject: ANNUAL REPORT 2010/2011 - VENTURA COUNTY-
WIDE MUNICIPAL STORMWATER PERMIT AND
PROGRAM, ORDER NO. R4-2010-108 (NPDES PERMIT
NO. CAS004002)**

Dear Mr. Unger:

Attached is the Annual Report pursuant to the requirements of the Ventura County Municipal Stormwater NPDES Permit No. CAS004002/Order No. 10-108 which requires an Annual Storm Water Report (Report) be submitted by December 15th of each year. This Report discusses the Permittees' Permit compliance activities for the period of July 1, 2010 to June 30, 2011, includes a description of all activities conducted during the reporting period, and an assessment of the Ventura Countywide Stormwater Program's effectiveness.

All of our stormwater Program efforts from July 1, 2010 through June 30, 2011 are included in this Report. On July 8, 2010 Order No. R4 2010-0108 was adopted with minor changes. The 2010 Permit replaced the Order No. 09-0057 in its entirety, and all references to the Permit in this Report refer to that Order.

This Annual Report was prepared with the cooperation and assistance of the Ventura Countywide Permittees who contributed the detailed Permit compliance information, and data regarding their various stormwater programs.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted.

On file at the Ventura County Watershed Protection District is the same signed statement from each of the Permittees.

Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions feel free to contact me at (805) 654-5051 or Arne Anselm at (805) 654-3942.

Sincerely,

Gerhardt J. Hubner

On behalf of the Ventura Countywide Stormwater Program
